3. Team Entry

- 3.1 Teams applying to enter the Bulleen-Templestowe Basketball League must complete the online team entry form and make payment of the Registration Fee and Bond (new teams only) through the PlayHQ platform.
- 3.2 The Bulleen-Templestowe Basketball League is not bound to accept registrations from teams. The BTBC may reject registrations in respect of individuals and teams or impose such limitations on number of teams or other conditions it sees fit.
- 3.3 Where registration for a team is not accepted, the club/team will have the registration fee and Bond (if applicable) returned less any transaction fees.
- 3.4 Teams who withdraw from the Bulleen-Templestowe Basketball League once fixtures have been drawn will forfeit their Bond and Registration Fee paid.
- 3.5 Teams who enter the competition after the registration close date will be added as vacancies become available.

4. Team Bond

- 4.1 All new teams into the Bulleen-Templestowe Basketball League must pay a Bond. Bond money shall be held by the Club for the duration of the term in which the team is playing consecutively.
- 4.2 All teams must maintain a balance of the full bond amount (see Fee Schedule). All individual teams must hold a bond. Multiple teams cannot play under one (1) Bond.

- 4.3 Teams who no longer participate in the Bulleen-Templestowe Basketball League are given twelve (12) months from the end of their last registered season to claim back their Bond. If the Bond is not claimed within this time frame the Bond is forfeited to the Club.
- 4.4 Prior to return of the Bond the Competition Manager will complete an audit of the team for any unpaid team sheet and/or walkover fees. If the team owes any money to the Club this amount will be deducted from the Bond and the net amount remaining returned to the team.
- 4.5 To claim back a Bond, the Team Delegate must submit a payment request in writing via email to the Competition Manager.

5. Team Delegate

- 5.1 All teams in the Bulleen-Templestowe Basketball League must nominate a primary contact as Team Delegate and provide both phone and email contact details. The Team Delegate is responsible for receiving all communications from the competition and distributing required information amongst their team.

- 6.1 All teams must register the dominant colour of their uniform on the registration form.
- 6.2 Uniforms shall consist of singlets of the same dominant colour, numbered front and back as prescribed by the Rules and uniformly coloured shorts.
- 6.3 No pockets are allowed in any part of the uniform.
- 6.4 All numbers must be heat pressed, sublimated, or stitched onto each player's singlet (i.e. no taped or drawn numbers). The numbers are to be of the same colour and size contrasting to the singlets – width no less than 2cm. The height of the front number must be at least 10cm and the back numbers 20cm. Players are not permitted to participate in the game without a number on their singlet.
- 6.5 Teams may use any number from 0-99 as well as 00.
- 6.6 A team shall incur a ten (10) point penalty for uniform infractions. This penalty applies irrespective of the number of incorrect uniform items within a team. - 6.7 Uniform penalties shall only be applicable after the conclusion of the grading period each season.
- 6.8 The Competition Manager will review all team names and uniforms each season to determine if a team name and/or uniform is rude or offensive. Any name or uniform deemed to be rude or offensive must be changed at the expense of the team.

- 6.9 The Competition Manager has the power to order any player and/or team to renew uniforms should they not be to the standard required.
- 6.10 In the event of a colour clash between the uniform of two (2) teams playing against each other, a coin toss will determine who must change singlets. A colour clash occurs where the officials deem there to be an indistinguishable difference in the singlet colours e.g. black v black, black v dark navy. Hire singlets are available for teams at \$20 per set.

The headgear shall not have opening/closing elements around the face and/or neck and shall not have any parts extruding from its surface.
- 6.14 Players are permitted to take the court wearing “bobby pins” and/or “one touch” or “snap” clips to hold their hair back. These items pose no threat of injury to any player on the court. Players will not be permitted to wear barrettes, headbands made of metal, or clips larger than a bobby pin or snap clip – especially those that are present for decorative purposes only. If items in a player’s hair are made from a non-abrasive, pliable material, they may be permitted to be worn, as they pose no threat of injury. This includes headscarves or other fabric articles worn for religious purposes held in place by bobby pins or snap clips.
- 6.14 Compression gear and other accessories such as headbands, wristbands may be worn during the game in line with FIBA rules.

- 7.7 To have a game counted to a players seasons games tally, the player must be registered (i.e. not a "fill-in"), have their full first name and full surname entered into the electronic scoring system. Any use of just an initial (first or last) or nickname will not be counted.
- 7.8 Teams playing ineligible players shall forfeit the game(s) and receive zero (0) premiership points for the game(s) in which the ineligible player(s) played.

A team may forfeit the game if a player is unable to confirm their identity when requested.

8. Player Transfers

- 8.1 Players cannot transfer between teams within the same competition after the fifth (5th) round of each season except where special circumstances apply.
- 8.2 Where a person believes special circumstances apply, an application in writing must be made to the Competition Manager providing details of the special circumstances that the person believes would warrant the granting of the transfer. The Competition Manager rules on this application.

9. Grading

- 9.1 Competition grades will be determined based on both the size and quality of teams entered into competitions each season.
- 9.2 Grades can be standalone (e.g. A) or "joint" (eg. A/B). Where "joint", there will be two sets of finals in accordance with Clause 13.3.

- 9.3 The grading period consists of the first four (4) weeks of each season.
- 9.4 The Competition Manager shall review all teams across the competition and make changes at the end of the grading period, however, the Competition Manager also has the discretion to move teams across grades during the regular season where they believe an immediate change is required.
- 9.5 Upon registering into the competition, teams nominate their approximate skill level. This is a guide only and is used by the Competition Manager for initial grading. Discretion lies with the Competition Manager to make amendments to this as they see fit to balance the competition.
- 9.6 Ladders reset after the grading period if one (1) or more teams have been moved in and/or out of that grade. Where there is only one (1) grade for that competition (standalone or split) and/or there has been no movement of teams in and/or out of that grade the ladder will continue throughout the entire season to include the grading games.

10. Fixtures

- 10.1 Matches are fixtured on a 50-minute timeslot schedule with 4 10-minute quarters or 45-minute timeslot with 2 20-minute halves.
- 10.2 Timeslots allocated to sections are based on the number of teams within each grade and timeslot equality across all grades (where possible).
- 10.3 Fixtures can be changed at any time up to the scheduled start time of the match. The onus is on the teams to continually check the online fixtures through the Bulleen Basketball website for the most up-to-date match times. If a change is made to the fixture within 48 hours of the scheduled match the Competition Manager will contact the Team Contact via email and text message to notify the team of the change.
- 10.4 Specific timeslots cannot be requested by any team but the Competition Manager will assist with all reasonable requests wherever possible.
- 10.5 Use of any third-party App for fixtures and results is not an approved source of information by the BTBC. Third-party Apps are known to have issues updating fixtures accurately. Patrons using third-party Apps do so at their own risk and cannot rely on the information provided by these apps to appeal results.

11. Technical Rules

- 11.1 Teams must ensure that their match fee has been paid prior to the match starting each week.

If a team has not paid the match fee prior to their next scheduled match, the previous match shall be deemed a forfeit resulting in a fine being charged equal to the price of an unnotified walkover and loss of three (3) premiership points. 12.4 The clock shall stop for all whistles in the final two (2) minutes of the match.

12.7 Should the time required to move an injured player encroach on the next scheduled game by less than 20 minutes, the next scheduled game will be played in full. Should the time required be greater than 20 minutes, the next scheduled game will be cancelled. The cancelled game will be called a 10-10 draw. - 13.13 Any team who plays an ineligible player in a finals match without written permission from the Competition Manager shall forfeit the match.
- 13.14 All Finals matches excluding Monday A Grade Men shall consist of 2x20-minute halves. (Monday A Grade Men will be 4x10 minute quarters)
