TEAM SELECTION / PLAYER PLACEMENT:

Our goal is to ensure that all children can participate in the sport for enjoyment with the potential to prosper in a team at their appropriate level of competition.

In using feedback from team coaches and age group officers we support existing players nominating to continue in their existing team but will take into account the suitability of ALL players across an age group at the time of new season team construction.

Our mission is to ensure that teams 1, 2, 3, and beyond are entered in the EDJBA in order of ability whilst keeping friendship as the foundation for team cohesion.

When managing 1200+ players across all age groups which in several cases have more than 15 teams, it is imperative that players are given every opportunity to progress within our club framework whilst keeping a team balance with bigs and smalls or guards and forwards.

Over time the dynamic and needs of players inevitably change particularly as children enter and progress through the junior championship program and transition from primary to high school which involves forming new friendships so we're fully accommodating that friendship requests will alter over time.

When considering friendship requests all requests need to be reciprocated otherwise there is no guarantee that they can be accommodated.

The more constraints a player has, the harder it is to place them in a team. For example: Training requests or a requirement for AM or PM games etc.

PLEASE keep requests to a minimum to assist our committee in the difficult task of putting teams together.

Late registrations will fit in where and if a spot is available understanding that requests for training, friendship or game day will likely not be accommodated.

PLEASE NOTE: ADJUSTMENTS TO TEAMS CAN BE MADE THROUGHOUT THE GRADING (First 5 rounds) PHASE BY THE SELECTION COMMITTEE DUE TO PLAYER WITHDRAWALS, BALANCING TEAM NUMBERS OR BETTER PLACEMENT OF PLAYERS

(For U17 & ABOVE)

Teams will continue in their current form unless a special request is made by a player and/or coach.

UNIFORMS:

All players must wear the Bulleen reversable JD uniform including both shorts (\$40) & singlet (\$60). These can be ordered online ([HERE](#)) or you can await correspondence for uniform shop open days for correct sizing and ordering.

COACHES:

All our coaches are volunteers - generally current or former players, parents, or siblings. The club is always looking for coaches! If interested, please fill out the intention to Coach Registration (link below).

Players joining from other clubs:

- If you have played with another EDJBA club in the past, you will be required to get a clearance / transfer from your previous club before playing with Bulleen.
- It's up to the player to initiate the clearance / transfer when they go to register (if they played at a different EDJBA club in previous seasons). During the online registration form, the system will identify that the player requires a clearance/transfer and will be initiated by the click of a button. It is then up to the source club to confirm the first step, followed by EDJBA and lastly by Bulleen (the destination club). That player will then receive an email notification that the transfer has been completed and can continue their registration.
- The system will not allow a player to register to a new club until all parties have confirmed the clearance / transfer.
- If you've come from a club outside the association e.g. a club that plays in the Coburg, Hawthorn, or Diamond Valley associations, then no clearance is required.
- All previous basketball experience should be noted on the registration form.

REFUND POLICY:

Refunds will be granted on a case-by-case basis at the discretion of the Competitions Manager.

Such circumstances may include:

- Player illness or injury that means the player cannot play for at least six (6) consecutive games. A medical certificate will be required.
- Withdrawals after first 5 rounds (including grading rounds) for medical reasons or any other reason will not be subject to a refund.
- Relocation of a player or the players family more than 20km from the Sheahan's Road Stadium.

If a refund is granted **A \$50 administration** fee will apply for **all refunds** + any PlayHQ fees & game fees for any games already played will be deducted.

Please note: The BV license fee cannot be refunded by the Club.

Registration of a player is a commitment to playing the entire season to which the fees apply. Withdrawal of a player after registration can impact team structure, venue planning, coaching, and grading. Players who cannot commit to the season should not register or should contact the Competitions Manager to discuss circumstances before registering.

Specifically (and without limitations), refunds are not offered for:

- Change of mind
- Disapproval of the team to which a player is allocated.
- Disapproval of the coach allocated to a player's team
- Disapproval of the team number or grade
- Inability to train at the allocated time or venue.
- Conflicting commitments
- Basketball Victoria or EDJBA sanctions being imposed on the player, parent, or associate.

By Registering the Parent/Guardian and the Child/Player agree to the following

- All requests will be accommodated as best possible but are not guaranteed.
- To participate in both trainings and games in a manner that is not disruptive to others
